EXPERIENCE

UX Researcher & Designer

Xiyou Education Technology Co.

📅 04/2024 - Present

- Designed user-centered educational tools through targeted research on student and teacher needs, creating accessible and engaging interfaces that enhance the digital learning experience. Collaborated with cross-functional teams to ensure efficient usability and align platform functionality with educational objectives, contributing to a more interactive and user-friendly platform.

Design Assistant

Eagle Art Studio

📅 06/2023 - 09/2023

- Developed and organized student workshop frameworks, optimizing layout and instructional flow to improve engagement and support collaborative learning. Collected and organized teaching materials for enhanced preparation, contributing to the implementation of class and workshop activities.

Design Intern

Zhejiang China Commodities City Group Co.

📅 06/2022 - 10/2022

- Designed and implemented team-building workshops aligned with company goals, creating interactive formats to strengthen team collaboration. Contributed visuals for strategic presentations and supported UX initiatives through research and testing, conducting wireframe development, low- to high-fidelity model creation, and user testing for outcome evaluation.
